

ANNUAL REPORT 2023 – 2024 VASAI UNIT

KNOW, LOVE, HELP ONE ANOTHER
AND KEEP UNITED

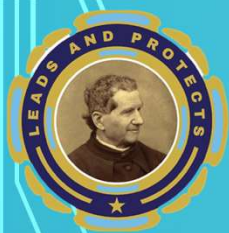

At the outset, it is felt that it would be in the fitness of things to state that the Don Bosco Past Pupils of Vasai hailing from various Don Bosco Schools and Institutions had in 1975 organised themselves and conducted various activities to which publicity was given in the then existing 'Alumnus' of Don Bosco past pupils.

With advancement in career and professional uprise there was temporary lull in the activities of this group. The past pupils in Vasai then organised themselves under the supervision of Fr. William Falcao as a delegate appointed to oversee the function of this group and on 1st May 22 had a General Body Meeting which constituted the present committee.

In this backdrop, this Group then celebrated every year the feast Mary Help of Christian and Don Bosco on 24th May and 31st January respectively without fail.

Activities conducted during the year:

16th August 2023: Past Pupils organised a short notice meeting to participate in the mass offered at Jyoti Mata Church in Agashi, Vasai to celebrate the birth anniversary of Don Bosco and the feast of Assumption of Our Lady.

On 23rd January 2024: meeting with Fr. Issac and Fr. Wilfred with 20 past pupils who had the occasion of being associated as aspirants or students of the Don Bosco School Lonavala. The meeting with recall of school memories was indeed inspirational in the process that a gathering felt that Vasai Past Pupils should do something in the direction of vocational guidance being made available to youth in Vasai which it was felt was lacking.

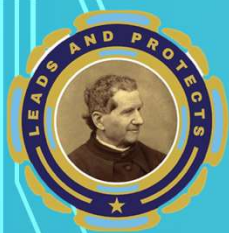

31 January 2024 :Past Pupils had organised a grand programme to celebrate feast of Don Bosco with concelebration Mass offered by Fr. William, Fr. Anacleto and Fr. Valentine Pavkar where 60 participants were gathered who participated in the mass and the celebration that followed.

24th May 2024: The group also celebrated feast of Mary Help of Christians with concelebration Mass offered by Fr. William and Fr. Anacleto was followed by short meeting and lunch.

The unit has organised a committee to expedite the formulation of a solid membership register with complete data of all the past pupils resident at Vasai by increasing Lifetime members.

Our next goal is to organise a career guidance program for the youth of Vasai region.
