## CHALLENGES & CONSTRAINS FACED

- Getting more and more past pupils to participate in unit activities and programmes.
- Administrative & Organizational challenges at Unit level.
- Aligning the Unit Goals with the overall Province and National Federation Goals

# APPRECIATION/SUGGESTION

## ■ APPRECIATION :-

Commendation of sincere and selfless efforts put in by Fr. Provincial, National Delegate, our Provincial Delegate, various Unit Delegates, President and Office Bearers of the Mumbai Provincial Federation towards setting up new Units and motivating & encouraging the existing ones.

## ■ SUGGESTION :-

To encourage all Units to take up/initiate causes/projects/programs that will positively impact their respective DBIs & society at large. If “Allegiance to once alma mater” becomes the motto of every past pupil, then the dream of Don Bosco to give good quality & affordable education to every child will be more than fulfilled.
